MEMORANDUM

TO: Honorable Mayor Maso and City Council Members

FROM: John Lettelleir, AICP, Director of Planning & Development Services

XC: George Purefoy, City Manager

DATE: October 14, 2008

RE: Consider and act on adoption of a Resolution authorizing the City Manager to execute a boundary adjustment agreement between the City of Frisco and the City of Plano to establish the centerline of SH 121 as the boundary between the two cities. (Planning & Development Services).

Action Requested: Consider and act on adoption of a Resolution authorizing the City Manager to execute a boundary adjustment agreement between the City of Frisco and the City of Plano to establish the centerline of SH 121 as the boundary between the two cities.

Background Information: Resolution 97-10-12R, established the municipal boundary between the City of Frisco and the City of Plano as SH 121 northern right-of-way line. The City of Plano is responsible for patrolling and responding to emergencies on SH 121 under the current agreement. This agreement also references modifying the boundary from the northern line to the centerline when SH 121 was constructed as a freeway. With recent developments, SH 121 is being constructed as toll road instead of a freeway.

There is a separate agreement between the two cities that addresses the traffic signals along the frontage roads. The agreement states that Plano is responsible for controlling the traffic signals. The approval of the attached agreement does not impact the agreement on traffic signals.

Plano's City Council approved the boundary change at their October 13th meeting.

Board Review/Citizen Input: None.

Alternatives: The City Council may:

- Approve the resolution;
- Deny the resolution;
- Approve the resolution with modifications; or
- Table the resolution for further review.

Financial Considerations: None.

Legal Review: The City Attorney's Office prepared the attached resolution.

Supporting Documents: Boundary Agreement and resolution.

Staff Recommendation: Approve as submitted.
